

The 21st Century Community Learning Center program provides extended learning opportunities for the children of Idaho.

Purpose of Program

- ♦ Academic Performance— Provides opportunities to help students meet state and local student achievement standards in core academic subjects, such as reading, language art, and mathematics.

- ♦ Enrichment Opportunities – Provides programs, services and activities designed to reinforce and complement the regular academic program of participating students.

- ♦ Family Literacy Services- Offers literacy and related educational development opportunities to families of students served.

2005-06 Program Snapshot

33 Grant Awards
67 Centers
Pre-school—Adults Served
5,000+ Students Served

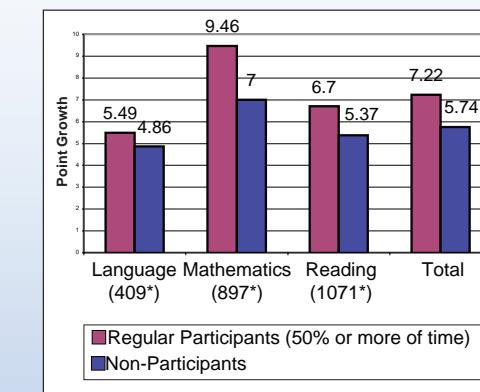

Funding

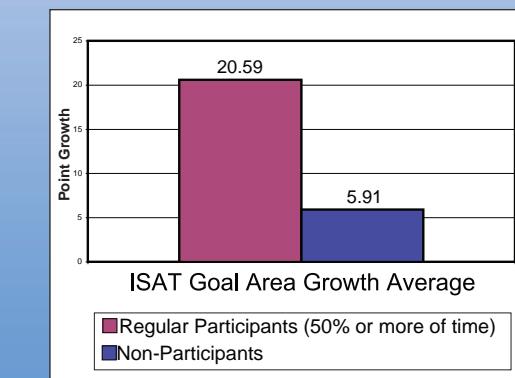

Program is provided by a grant program under Title IV Part B of Elementary and Secondary Education Act (EDEA, as amended by the No Child Left Behind [NCLB] Act of 2001.) The State Department of Education is responsible for administering the grant program.

Effectiveness of Program 2004-05 Outcomes

2004-05 Statewide ISAT Composite Growth

2004-05 Growth in ISAT Goal Areas With Goals Set

The above graph represents average growth within targeted goal areas. The 21st CCLC staff (in conjunction with the classroom teacher) establish targeted areas within the 19 goal areas of the ISAT for students to work on while in the program.

Sites, Centers and Grades Served

American Falls School Dist

Wm Thomas Middle, K-9

Blackfoot School District

Wapello Elementary, 1-5

Boise School District

Hawthorne Elementary, 1-6

Whitney Elementary, 1-6

Buhl School District

Buhl Middle School, 6-8

Caldwell School District

Sacajawea Elementary, 2-5

Syringa Middle School, 6-8

Wilson Elementary, 2-5

Van Buren Elementary, 2-5

Coeur d'Alene School Dist

Atlas Elementary, K-5
